INSURANCE GUIDELINES

We appreciate your recent Road Trailer or Office Trailer order. In order to properly complete the necessary paperwork, Eagle Leasing **requires** customers to follow our insurance guidelines as specified in our lease agreements. Once provided, they protect **both** parties in the event of loss or damage to our trailer.

Eagle Leasing additionally requires a minimum of **$1,000,000 Bodily Injury and $250,000** Property Damage for each unit. Eagle Leasing further requires coverage for losses to collision, fire, theft or other casualty. Coverage must be for the full value of the trailer and be in force during the entire lease period.

The insurance certificate must contain the following language:

"The Insurance evidenced by this certificate shall be **primary + non contributory** to any other insurance of The Eagle Leasing Company. Eagle Leasing is to be included as an **additional insured and loss payee."**
